**ONCE AGAIN THE BRADFORD CURLING CLUB IS RUNNING

INSTALLED TWO YEARS AGO
WE WELCOME YOUR PARTICIPATION AND SUPPORT OF
THE CURLING CLUB AND THIS PROJECT... THANK YOU.**

RULES AND FACTS

The cost to enter the pool will be \$ 25.00 per entry.

One-third of the total pool will be the curling clubs total fundraising, to a maximum of \$ 2000.00. The remaining money will be distributed to entrants at the end of the season, the amount and distribution will be determined and based on the total number of entries.

The exact distribution of winnings will be determined once the number of entries is finalized.

Please use a nickname for your entry, put it on your entry form.

Each participant must select 10 players from the pool, whose total earnings will not exceed \$15,000,000.

In addition two free picks will be allowed, one each from the Q School and Nationwide qualifier list. Remember only one pick from each pool. You cannot pick 4 players on your team for 15 million and 8 QS/Nationwide players.

Each player has a value based on 2008 BCC Pool earnings.

Weekly earnings for each golfer will be credited to those who have selected that golfer.

Multiplie entries are allowed.

The pool will start with the Masters in April and run to include the Tour Championship in mid-September...26 tournaments in total.

Weekly results will be emailed to each participant.

Entries will close at 9:00 pm on the Friday of the Masters. (April 10)

All decisions by the committee will be final.

Any tiebreakers at the end of the seasons will be broken as follows: the person who has the team with a value closest to the winnings cap will be declared the winner.

An attempt will be made to have as many merchandise prizes as possible for weekly top earners, information will be available as donors are received.

If you have the name of a possible weekly prize donor, or a prize, please tell one of the committee members.
