

## To All 2010 BCC Golf Pool Participants:

Well we are back for another year with the Bradford Curling Club Fundraising Golf Pool. Hopefully everyone is having as an enjoyable winter as possible and starting to get the itchy finger to hit the Links real soon, if you are a curler there is about 2 months left so enjoy that until the courses open.

I have attached three files for the 2010 pool, the first is a pdf file with all the details and information, the second, a pdf file also is a players list and the third an Excel file which contains a registration you can use to submit you entry/entries. Simply fill out the form, filling in the Players name and earnings, save it using your team Nickname and send it back to me. The form is formulated to automatically add the earnings of your selections as they are added so you can see how you are progressing.

Again only a player's earnings in the 2009 BCC Pool will be used. The reason for this is that some lesser players win early and late in the year and as a result their earnings are not won during our pool period but their cost is high and works against them during our pool.

Tiger's situation should make it interesting; will he play, when will he play and his high price tag, all enter into the equation.

Once again you are allowed to select one Nationwide and one Q School golfer, you are allowed one free pick from each of these groups at no charge against your team. These players are shown at the bottom of the players list with the notation NW or QS in the rank column. **You are allowed only one player from each of these groups on you team.**

I would encourage you to pass this package along to any other person who you feel may be interested. Also don't feel shy about entering more than once yourself. Last year we had 103 entries and we would like to see at least 150 this year.

There are 5 people out there who won a free entry last year, **with the purchase of a second entry this year.** They are; **Brickie, Borat III, Average Golfers, Fred & Ethel and Poppy.**

Also an attempt will be made to have at least one merchandise prize per week, so if your company has a promotional item available please send it to me. This may be cut back this year as I did not receive many donations last year, **so help me out on this one.**

I would also ask you to get your entries in as soon as possible because it is a lot of work to enter them into the program and again this year I will be away for the month of April, but I have a laptop this year so can work on it in Myrtle Beach but would still like to get a head start.

On the Excel registration form I have asked you to include the name of the curling club member who suggested the pool to you, this is so I can get any prize you win to that member for delivery.

I thank you for your interest and participation in this pool and once again look forward to the 2010 season.

If you have any questions or if I might have left something out please contact me.

Thanks,  
Wally Kemp
