League Times and Spare Rules:

All leagues above have 2 draws each night. The first draw starts no later than 7:00 and the second draw starts at 9:00. The Bradford Curling Club has implemented a Soft Start policy - the ice will be ready each night at 6:45 and teams are encouraged to start their games as soon as they can in an effort to get the late draw started by 9:00. Spare fees are \$10 per night played - maximum 5 nights for a non-member. Skip is responsible to collect and pay. Curlers opting for 1 night / week fee are not eligible to spare on other nights - only eligible if \$10 spare fee is paid each time curler spares. Once 3 spare fees are paid, curler has paid same as 2 night curlers and is eligible to play at no further cost.
