Mixed Division Scoring

Winning Vice Completes the scorecard

10 points for the win

5 points each for a tie

1 point for each end won

Blank End 1/2 Point each team

1/4 point for each rock to a maximum of 3 points on 12 rocks.

Default Win earns 16 Points

Default Loss 0 Points

16 Points for a bye

End Game Early - Winning team awarded 1 rock per end not played

No additional points if game ran out of time

Sparing Rules

Players who can't attend a game should find their own spare and

First choice should be from the team with the bye that night, if

Second choice should be a player from the spare list.

Spare should play the same position - Skip for a skip, vice for a vice, second and leads can alternate.
